ABOUT ME

Motivated final-year IT undergraduate at SLIIT with strong enthusiasm for AI/ML and software engineering. Passionate about building scalable applications and eager to secure a junior-level software engineering role to apply and grow technical skills.

TECHNICAL SKILLS

- **Programming & Scripting:** Python Java JavaScript TypeScript Kotlin C C++ PHP R
- **Cloud & Platforms:** AWS (Basic) Azure (Basic) Google Cloud (Basic)
- **Web Technologies:** React.js Node.js Express.js Next.js HTML CSS Bootstrap Tailwind CSS
- **Media & Cloud Services:** Cloudinary
- **Databases:** MongoDB MySQL Room DB SQL*Plus SQLite
- **Version Control & Collaboration:** Git GitHub CI/CD Practices
- **Project Management & Collaboration:** Agile Azure Boards Jira Trello
- **Testing & Quality Assurance:** Selenium SonarQube
- **Tools & Automation:** n8n (Workflow Automation) Jupyter Notebook Figma VS Code Android Studio

EDUCATION

SRI LANKA INSTITUTE OF INFORMATION TECHNOLOGY – SLIIT

2023 – Present

BSc (Hons) in Information Technology

Semester : Y4S1

(Status: Reading)

INTERNSHIP EXPERIENCE

Software Engineering Intern (PHP Laravel Full Stack Developer)

IT Starter (Pvt) Ltd | Sep 2025 – Feb 2026 (6 Months)

- Worked as a full-stack developer on business web applications using PHP, Laravel (MVC), Vue.js, React, Next.js, and MySQL.
- Developed RESTful APIs, built responsive UIs, and used GitHub Actions for CI/CD.

Projects & Contributions

1. Task Management System (Individual Project)

Technologies: PHP, Laravel, Vue.js, MySQL | MVC Architecture

- Developed a full-stack task management web application from scratch using PHP, Vue.js, and MySQL.
- Implemented user authentication and role-based access control.
- Built task creation, assignment, status tracking, and reporting features.
- Developed RESTful APIs to support application functionality.

2. Finance Tracker Web Application

Technologies: PHP, Laravel, React, MySQL | MVC Architecture

- Developed a full-stack finance tracking web application using Laravel, React, and MySQL.
- Implemented Splitwise-style expense sharing and settlement functionality.
- Developed asset, asset type, budget, and category management features.
- Built RESTful APIs for third-party and mobile application integration.
- Integrated CI/CD automation using GitHub Actions.
- Utilized n8n for workflow automation.

ACADEMIC PROJECTS

DocSmart – AI Health Web Application (Team Leader) [Git Hub link](#)

Tech: React, Node.js, MongoDB, Express – MERN Stack

Individual Contribution:

- Doctor appointment booking system
- Developed an **NLP-powered AI – symptoms checker** to assist users with doctor appointment booking by recommending available doctors based on user symptoms.
- Responsive UI with Tailwind CSS

PRIMEROSE – E-Commerce Website (Individual Project) [Git Hub link](#)

Tech: React, Node.js, MongoDB, Express, Cloudinary – MERN Stack

- Product listings, shopping cart, checkout, order management
- JWT authentication
- Cloudinary image storage

Dashboard UI (Individual Project) [Git Hub link](#)

Tech: React, Tailwind CSS, Material UI

- UI wireframes in Figma
- Responsive dashboard interface

SOFT SKILLS

- | | | |
|-------------------|----------------------|-------------------|
| • Quick Learner | • Communication | • Adaptability |
| • Problem Solving | • Time Management | • Leadership |
| • Teamwork | • Project Management | • Self-Motivation |

CERTIFICATIONS AND LICENSES

- Azure Fundamentals AZ-900 – *in progress*
- Essentials of IT Service Management and Infrastructure Library Level 4 (ITIL)
- IBM – Introduction to Data Analytics
- IBM – Introduction to Agile Development and Scrum
- IBM – Introduction to Project Management
- Coursera – Java Programming: Solving Problems with Software
- Java Programming Language and JavaScript

LANGUAGES

- | | | | | |
|--------------------------|--|------------------------|--|----------------------|
| • English (Professional) | | Sinhala (Intermediate) | | Tamil (Professional) |
|--------------------------|--|------------------------|--|----------------------|

VOLUNTEERING

FOC – Member

SLIIT

2023 – Present

STUDENT PREFECT

Zahira College Mawanella

2017 – 2022

MEDIA UNIT – Member
